

Buford Corn Maze

COVID-19 Health & Safety Protocols

This document is a summary of the key health and safety guidelines for the Buford Corn Maze (as of July 8, 2021). The plan may continue to be adjusted based on the implementation of new programs, CDC guidance, or mandates from federal, state, and local government agencies.

General Protocols:

Masks.

Guests are encouraged but not required to wear protective mask coverings.

Protective shielding in traffic areas

We will have window dividers, masks and other protection at our admission gate and concession areas to provide additional protection for our guests and staff.

Distancing of guests in viewing areas

Guests viewing or participating in Maze activities will be encouraged to maintain a safe distance from each other.

Sanitization and Disinfection

Cleaning Teams to Disinfect Common Areas

We will be significantly increasing our efforts to routinely sanitize and disinfect all high-touch points, such as chairs, benches, tables, etc.

Hand Sanitizer Stations Throughout the Maze

We will have stations throughout the Maze providing free hand sanitizer to guests.

Monitoring Sanitizing Restroom Area

We will staff each restroom area with personnel to routinely disinfect all high touch-point areas within the restrooms on a regular basis.

Sanitizing all Employee Work Areas

Staff work areas will be sanitized multiple times each day in accordance with CDC guidelines.

Staff provided with Personal Protective Gear

Every employee will be provided a kit featuring a face mask and gloves to use during their shift.

Social Distancing protocols:

Separation in Lines recommended

Distancing markers will be placed at all entry points to attractions, restrooms and concessions to help families maintain a safe distance from one another.

Guest Separation in Seating Areas

Our dining areas will be set up to encourage plenty of distance between seated parties.

Separation of Guests at Attractions

We have customized plans for each Maze attraction to minimize contact between parties with social distancing guidelines.

Buford Corn Maze

COVID-19 Health & Safety Protocols

Disinfecting, Securing All Food-Service Items

Following industry and CDC guidelines, all food service items such as napkins, food wrappings, condiments, and cutlery will be accepted into our kitchen, quarantined, disinfected, and secured prior to disbursement and utilization.

Elimination of Open-Access Condiments and Food Toppings Stations

Ketchup, mustard, and other condiments will be securely stored and served to guests upon request.

No Self-Service Cutlery & Napkin Stations

Napkins, knives, and forks will now be securely stored and provided to guests with their meal or upon request.

Signage & Communication Protocol

Reservations and Online Ticketing Program

All guests with reservations or online ticket purchases will receive information prior to their visit explaining how they can stay safe and have fun at the park by following our basic social distancing and hygiene guidelines.

Social Distancing Messaging on Site

Regular messages encouraging guests to social distance and follow safety measures will be displayed on signage throughout the Maze as reminders to maintain health safety awareness.
